

Luang Prabang

Luang Prabang The Charming Cultural Heritage of Mekong River

Luang Prabang, the oldest and loveliest Lao city, was founded between the 6th and 7th centuries, and had served as the capital from the 12th and 14th centuries. This former capital has been recognized as a World Heritage Site by UNESCO in 1995, signifying the presence of impressive cultural and traditional attractions in this small and unique ancient town lying between Mekong and Khan rivers.
